

16:20:21 From Courtney : hey everyone, the NJ State Bar foundation is currently holding free virtual PD on how to build resilience for our students during distance learning. I attended one the other day and found it very useful.

16:29:22 From Kerry Sullivan : Hi all -this is a necessity in our district. Not only are the students feeling the remnants of the pandemic .. but we have lost 3 teachers in the past 48 hours..... the need is so great and there is no incentive being taken at all!

16:30:05 From Vincent Pelli : Sorry for your losses Kerry

16:30:59 From Kerry Sullivan : Thank you Vincent!

16:31:13 From Mildred Arroyo : Wow so sorry for your losses!

16:32:03 From Jasmin Sanchez : So sorry to hear that!

16:32:05 From Julianne Buccino : So sorry Kerry, so very sorry

16:32:11 From Willis Dunbar : THANK YOU for that answer.

16:34:11 From Courtney : so sorry, Kerry

16:34:29 From Mayra Hillgardner : That's so sad Kerry, I am sorry to hear that. I am focusing on teachers... how to implement SEL for teachers to decrease burnout and stress

16:34:49 From emily : Wow, I can't even imagine. I'm so sorry Kerry.

16:35:53 From Mayra Hillgardner : wellness of teachers is so essential and many times its neglected

16:39:02 From Vincent Pelli : We have TOSAs- Teachers on Special Assignment for RJ

16:44:09 From Lisa Levchak : Kerry, thinking of you and your colleagues during this difficult time. 

16:45:40 From Lisa Levchak : Mildred, if you don't mind sharing what was the reason for the video conference pull? I'm afraid of that in my district...

16:49:17 From Mildred Arroyo : There has been some issue with individuals going into calls and posting inappropriate videos/photos.

16:50:13 From Julianne Buccino : Is voice thread a part of google suites?

16:50:30 From Julianne Buccino : Does voice thread cost \$?

16:51:11 From Lisa Levchak : Thanks Mildred ... such a shame.

16:52:01 From Lisa Levchak : Not a Google product

16:52:06 From Mildred Arroyo : Yes it really is a shame that individuals ruin it :/

16:54:38 From Courtney : we are doing virtual parent-teacher conferences for 3rd marking period so that we can get a better pulse check with all parents, not just the parents we are already reaching out to due to student concerns.

16:54:51 From Lisa Levchak : I just registered for voicethread - it's free
